The Black Satin jackets are made from 100% black satin sheen nylon shell, with a 100% fleece lining and spandex wrist cuffs and snap front

closures and water-resistant coating.

The Nylon windbreaker coaches jacket has a water-resistant nylon fabric with a snap front closure.

The exterior is coated with a 100%

waterproof coating...However, we give this Jacket a water-resistant rating since the seams are not waterproof, which allows water to eventually enter through the seams or the snap front closure when exposed to extended periods of time in a downpour.
